WELCOME TO OLIVE BRANCH

Hometown can be described as the city or town where one grew up, or the place where you live. Olive Branch is both for me. I was privileged to grow up in Olive Branch when it was a small town, and it is where I have chosen to raise my family. Our hometown has received the distinction of being named America's fastest growing city over the past 20 years and we have also been named one of America's best places to live.

Nestled in the northwest corner of Mississippi, Olive Branch is growing and developing both economically and socially. If you are a first time visitor, you may not know that a few years ago our population was less than 4,000. Now my family, along with more than 36,000 others, call Olive Branch home. We are proud of our hometown and all it has to offer. Most residents call it 'O B Pride'!

While visiting our City we invite you to visit our City Hall, Old Towne area, our five beautiful parks, numerous retail shops and local restaurants. Thank you for visiting our hometown. We hope you enjoyed your time here. I invite you to come back often.

*Best Regards,
Mayor Scott B. Phillips, Jr.*

SUPPORTING BUSINESS & COMMUNITY

Located in the historic Old Towne, the Olive Branch Chamber of Commerce has served the Olive Branch business, professional, residential and industrial community for over 40 years. The Chamber, a highly recognized Chamber in the Mid-South area, offers a working partnership with almost 600 members. The Chamber is located at 9123 Pigeon Roost Road with an "open door" to receive new residents and businesses with a warm welcome and information to assist them with their move or transition.

Our Chamber works with the various economic segments of our community, building a positive program for expansion to community development and improvements and doing the job collectively that couldn't be accomplished with individual effort.

The Board of Directors and the Chamber staff are available to work with new businesses, professionals, and residents moving into the community to answer questions and help them become familiar with the area. **Programs and activities offered by the Chamber include:** New Member Orientation, a program designed to help new members understand the Chamber Organization and how to utilize all the features that the Chamber's web site has available to them, such as adding search words to their membership listing, a description of their business, job postings, an events calendar, a map of their location, and hot deal listings. Chamber Connectors encourage and assist in getting businesses involved with Chamber events and activities. Membership Luncheons are a monthly event and Biscuits and Business is a quarterly morning networking event. An annual Business Expo is held in the Fall each year and gives local businesses the opportunity to showcase their products to the community and other businesses. The Chamber also presents the annual Christmas Parade on the first Saturday in December. With marching bands and over 100 floats that usher in, with grand style, the Holiday Season.

members. Each active member has their Name, Address, Phone, and Map link listed.

In 2012, the Board of Directors held a Strategic Planning meeting and set five committees in place that will take the Chamber of Commerce forward. The committees are listed below with their mission statements:

Future Development - To promote and keep abreast of present and future developments in and around the Olive Branch area and evaluate the possible impact of these developments, as well as identify conceptual ideas for improvements in specific areas of the city.

Long Range Planning - To provide a team of professionals dedicated to promoting and providing resources to commerce, with an emphasis on future planning.

We will strive to enhance the quality of economic activity within the Olive Branch community and its surrounding areas.

Local Affairs - To understand and explain issues of interest to the businesses in the Olive Branch area; to take advocacy positions in those issues; and to communicate the Chamber's viewpoint clearly to our membership and elected officials, and the community at large.

Revenue - To work with the Chamber C.E.O to establish a budget for the Board's approval, as well as to identify available resources to maintain and increase revenue for the Olive Branch Chamber of Commerce. Our goal is for this revenue to enhance the value of the Chamber to all of its members.

Membership - To support and enhance the current Connectors organization and membership recruitment

and retention efforts and act as a communication liaison between the committee and the Chamber Board.

In 2014 a new committee was formed called the **Young Business Leaders (YBL)**. The YBL is geared toward local professionals between the ages of 21 and 41; however the young at heart are always welcome.

As a member of the Chamber, a business becomes a participant in promoting the growth of existing businesses, as well as attracting new businesses and residents to the area. The Chamber extends a warm welcome and information to visitors and those looking to relocate to the area. ♦

Growing the Hometown QUALITY OF LIFE

The City of Olive Branch has received numerous Keep Mississippi Beautiful awards and several Urban Forestry awards.

Bloomberg Business Weekly has also named Olive Branch the fastest growing city in the nation over the past two decades. Mayor Scott Phillips and the Board of Aldermen are proud of the growth of our city with over 36,000 people now calling Olive Branch home. We believe if you are just visiting and stay for any length of time you will want to call Olive Branch your home as well.

Our citizens enjoy a quaint style of life, while still having access to urban conveniences. Olive Branch has so much to offer, from the beautiful parks to the modern shopping areas. We are also very proud of our Old Towne area with buildings that date back one hundred years. We have outstanding residential neighborhoods, as well as, a quality school system, which is rated among the highest in the state.

The City Administration continues to work to preserve the same quality of life for the citizens that has been enjoyed in the past, even though our industrial park is one of the fastest growing industrial parks in the County. Mayor Phillips, citing recent real estate and business information, says the city's industrial park rivals that of Atlanta in both quality and quantity of business.

City Hall is located in the historic Old Towne district and houses all the departments that pertain to city business. The City Court House is home to the Court Clerk, and a 200-seat assembly room that accommodates space for court and City Board meetings.

The Olive Branch Police Headquarters, a state-of-art building, is home to the highly qualified Olive Branch Police Department. Accreditation was awarded to the department by the Mississippi Law Enforcement Accreditation Commission (MSLEAC) on February 25, 2009, making it only the 9th law enforcement agency in the state to receive this prestigious award. The building has holding areas with drive through sally port for detainee drop-off, a patrol wing with emergency management control room, state-of-the-art criminal investigation space with evidence collection and processing, and training areas for the officers to stay on top of the latest procedures and policies.

In the recent past, 2012 – 2015 Olive Branch was chosen as the site to conduct the National LawFit Challenge competition. This event is hosted by the Mississippi Law Enforcement Officer's Training Academy, and the Mississippi Highway Patrol. Law enforcement agencies from across the United States are challenged to send their fittest officers to compete.

Community citizens have an opportunity twice a year to participate in the Olive Branch Citizen Police Academy. During this time, they are given an overview of the department's procedures and function. Participants visit the firing range along with the city and county jails. They learn about crime scenes, traffic stops, and participate in a simulated DUI driving class using goggles. This Academy gives the participants a better understanding of what our fine Police Department deals with on any given day.

The Olive Branch Fire Department currently boasts 68 Fire fighters, 18 Paramedics, and 8 staff members providing Fire Suppression, Emergency Medical Services (Advanced Life Support), Hazardous Materials, Confined Space Rescue, High Angle Rope Rescue and Fire Prevention. There are 3 Fire fighter – Paramedics that are assigned to each shift, which complements our Ambulance Service. The Mississippi Rating Bureau Insurance Class awarded a Class "4" rating to the Olive Branch Fire Department. The lower this rating the lower insurance rates are for citizens. This rating is based on several criteria: number of firefighters, amount of front-line equipment, fire stations, fire prevention and inspections, and the city's water supply.

Although growing daily, Olive Branch provides its residents with a safe, family oriented environment that offers a wide variety of churches from which to choose, a school system ranked best in the state, and parks with recreational programs for all ages. ◆

BIG CITY BENEFITS

SMALL TOWN CHARM

Looking for a charming place to live that offers a small town atmosphere, yet has big city benefits? Well, you've found it right here in the heart of the mid-south!

Overlooking the Cherokee Golf Course is the Silvercreek Senior Living Community that provides catered and assisted living. Every Year We See Many Improvements and New Additions in Olive Branch:

More shopping is now available on Goodman Road and Pleasant Hill Road with the opening of **Home Goods, T J Maxx, Ross Dress for Less, Michaels, Hobby Lobby, Academy Sports, Moe's Southwest Grill, Mellow Mushroom**. Malco Collection, a 31,000 square foot, 7 million dollar upscale shopping center has opened in front of the **Malco 12-screen cinema** and adjacent to **Corky's Bar-B-Q**.

AmerisourceBergen, a Fortune 500 company and global health care solutions leader, invested \$48 million to build a 400,000 s.f. facility at the IDI-Crossroads Distribution Center. This facility is expected to create 100+ jobs. **Methodist Hospital** is planning to break ground on a medical office complex in 2017.

Even with the tremendous growth of residential homes and businesses, Olive Branch continues to retain its small town flavor by welcoming all who come, and encouraging them to be a part of this great community. Throughout the year, Olive Branch offers events that give local residents family activities such as our July 4th World Class fireworks display and October-

At one-time Olive Branch held the title of the fastest growing city in the country. Now, Olive Branch can

also add the title, one of the fastest growing industrial parks in the country. EXCELLENCE IN EDUCATION

DeSoto County School Mission Statement

The DeSoto County School District is dedicated to ensuring academic excellence through quality leadership efforts within a productive learning environment. The mission of the district is to provide opportunities for all 33,000 students enrolled in DCS to become self-sufficient, productive members of society.

Academics

Olive Branch Schools, consisting of 19 schools, are a part of the nationally recognized and high performing DeSoto County Schools with all high schools being graded as "A" schools. Many academic honors and awards have been bestowed on the schools at all levels.

Athletics

Olive Branch high schools have highly competitive sports programs and continually demonstrate enthusiastic spirit and pride as they bring home state titles and championships. All the schools have strong athletic programs offering girls and boys opportunities to participate in football, basketball, baseball, softball, golf, tennis, volleyball, track and field, and weightlifting. In addition to the

above activities, cheer and dance teams remain an ever-popular activity. See below for school accomplishments in athletics.

Clubs & Activities

Understanding each child has individual interest, a variety of clubs are available at all Olive Branch high schools giving students the opportunity to participate in an activity or club that appeals to them. Explorer, Spanish, Interact, Fellowship of Christian Students, Art, SADD, and Beta are examples of some of the clubs that are offered. The National Honor Society, Mu Alpha Theta and Knowledge Bowl Groups are also very strong in all schools. The Bands and Choir groups are very competitive in Olive Branch and DeSoto County winning numerous awards at all at all levels.

The County has a Career Tech West and a Career Tech East. East is located in Olive Branch. Olive Branch High School received a beautiful Performing Arts Center in 2013, giving all eight of our high schools in DeSoto County performing arts centers.

Private Schools

Sacred Heart School offers a parochial education for grades Pre-K through 8. Their curriculum incorporates Catholic values into its vibrant academics.

Northpoint Christian School is a Christ-centered college preparatory school that for over 40 years has enabled students to know and honor Jesus Christ. Each year over 1,000 students from throughout north Mississippi, the greater Memphis area, and Arkansas attend classes in K-3 – 12th grade on the sixty-one-acre campus in DeSoto County.

Northpoint Christian School maintains high academic standards for all students, is jointly accredited by SACS and SAIS, and provides four nationally recognized Exemplary School Programs for students. Further, students regularly are recognized as National Merit Finalists, AP scholars, and 98% of graduates go on to a college or university. Students are encouraged to participate in co-curricular activities involving service to the community through clubs and organizations and annual international and national mission trips.

The performing arts program has received local, regional, and national awards for marching band, percussion ensemble, choral, drama performances, and musical shows. With multiple boys and girls weight rooms, track and field facilities, fields for football, soccer, baseball, and softball, and lighted tennis courts, the athletic program provides opportunities for 30 athletic teams in nine sports and operates an extensive intramural program for elementary students.

Cross Creek Christian Academy (CCCA), a ministry of Cross Creek Church, provides Christian education in a safe and nurturing environment. Students, K4-12, participate in a challenging curriculum, classes of 15 students or less, daily Bible class, weekly chapel, and phonics-based reading instruction. CCCA is a member of the American Association of Christian Schools and Mississippi Association of Christian Schools.

Higher Education

Due to the educational demands in the growing northwest Mississippi area The University of Mississippi and Northwest Mississippi Community College partnered together to offer the 2 + 2 program at the DeSoto Center campus. This provides a great opportunity for students to receive their four-year degree without ever leaving the county. For more information on this program visit: www.outreach.olemiss.edu/desoto/programs

Students and teachers alike make the first day of school something special.

OLIVE BRANCH a THRIVING INDUSTRY

Olive Branch Is The Perfect Location for New Industry quickly and easily accessible by highway, rail, air, and water.

J. Strickland: new product is sorted for shipping and will be sent to retail stores around the world.

Situated on the Tennessee-Mississippi state line and sharing a common border with Memphis, Olive Branch is easily accessible by highway, rail, air, and water. Several major interstates and highways run through DeSoto County making it easily accessible to and from Olive Branch to both the northeast and southwest. In the world of industry, location is everything, which helps explain the growth in Olive Branch.

During the last several years there has been an influx of industrial companies to open or move to Olive Branch. Many of them have occupancy in Belz Enterprises Metro Industrial Park, and the adjacent Olive Branch Industrial Park, home to more than 80 well-known industries and distribution centers. Some of these diverse companies are: View (insulated glass), Snap-on Tools, Milwaukee Electric Tools, and Nissan

Distribution. Williams-Sonoma, located in the Olive Branch Industrial area around Polk Lane since 1999, and with over 2 million square feet of distribution space, is one of the largest employers in the area. Several pharmaceutical companies and medical supply companies have opened before and since the Olive Branch Methodist Hospital opening in August 2013: Teleflex Medical Inc., Millstone Medical Outsourcing, McKesson Corporation, Integrity Systems, Inc., Owens & Minor Distribution, Inc., and Anda Pharmaceutical. Medical-related companies are taking advantage of new legislation as an incentive program known as the Health Care Zone Act. That legislative act provides sales tax exemptions and accelerated income tax depreciation on medical companies which locate within five miles of a hospital.

Top: AmerisourceBergen expanding new operations in Olive Branch.

Bottom: J. Strickland, manufacturer of high quality hair care products.

The newest healthcare distribution company to announce plans to build a \$48 million facility is the Fortune 500 company AmerisourceBergen. “Expanding our operations into Mississippi provides AmerisourceBergen with a new avenue to better serve our customers by continuing to improve product access, increase supply chain efficiency and enhance patient care,” Senior Vice President of Distribution Services, Chuck Ball said. DeSoto Council President and CEO Jim Flanagan credited state lawmakers and Mississippi Gov. Phil Bryant with passage of healthcare zone legislation that provided tax abatements and incentives to locate within close proximity to major medical facilities.

Several of our existing companies are also experiencing expansion projects. Synnex has doubled in size, Williams-Sonoma, a company which moved to DeSoto County from California a decade ago, added 900 jobs in 2014. Hart and Cooley, Diamond Comics, J Strickland, Natureplex, American Plastic Toys, FedEx Ground and Revco are also expanding.

Within the Industrial Park and easily accessible to all in the Olive Branch area is the Metro Aviation Terminal/Olive Branch Airport on 350 acres with a 6,000-foot lighted runway. The airport is equipped with a full instrument landing system and a fully staffed control tower, capable of accommodating all corporate jets.

EXPERIENCE NATURE

and outdoor fun for all ages

To experience what life is like in Olive Branch, take a leisurely stroll through one of its many beautiful parks on a sunny afternoon.

You will hear the sounds of children playing in the playground areas, see parents and grandparents excitedly cheering for their little league stars, from young to young at heart enjoying the walking trails that take you all around the park. You will see a beautiful lake that provides a great place for a family fishing outing.

Olive Branch Parks provide an overabundance of activities from friends and families picnicking under a pavilion, cycling along bike trails, participating in a sports league, taking advantage of walking trails, to dog lovers walking their dogs, and the list goes on and on. Olive Branch Parks have something to offer everyone, no matter what your age. Understanding the need for beautiful parks, the city developed a strategic plan to grow the Olive Branch park system to preserve the green space and enrich the quality of life available to its citizens. As a result of the success of this plan, the city of Olive Branch has been named a Mississippi Scenic Community by the Mississippi Urban Forest Council.

The July 4th activities bring families from across the area. Each year crowds gather to see the skies ablaze with a HUGE World Class fireworks display at the City Park, enjoy live music, Kids Zone, great food vendors and more! Then as autumn's chill fills the air and the leaves begin to turn golden, families fill the park on the first Saturday in October for an abundance of crafts, games, food and more for the annual Octoberfest.

It would be a rare occasion to visit the city park without seeing some form of sports being played. During the year seasonal Youth Baseball and Softball, Adult Softball, Youth Soccer, Youth Basketball and Adult Co-Ed Softball are offered. There is something to do for the young and older alike.

Recreation and relaxation - synonymous for Olive Branch Parks. The Parks and Recreation Department is committed to improving and offering a variety of quality programs, services, and facilities to the community.

MEETS MODERN SHOPPING

In the early years of Olive Branch, Old Towne” was the center of activity and community events and that tradition continues today.

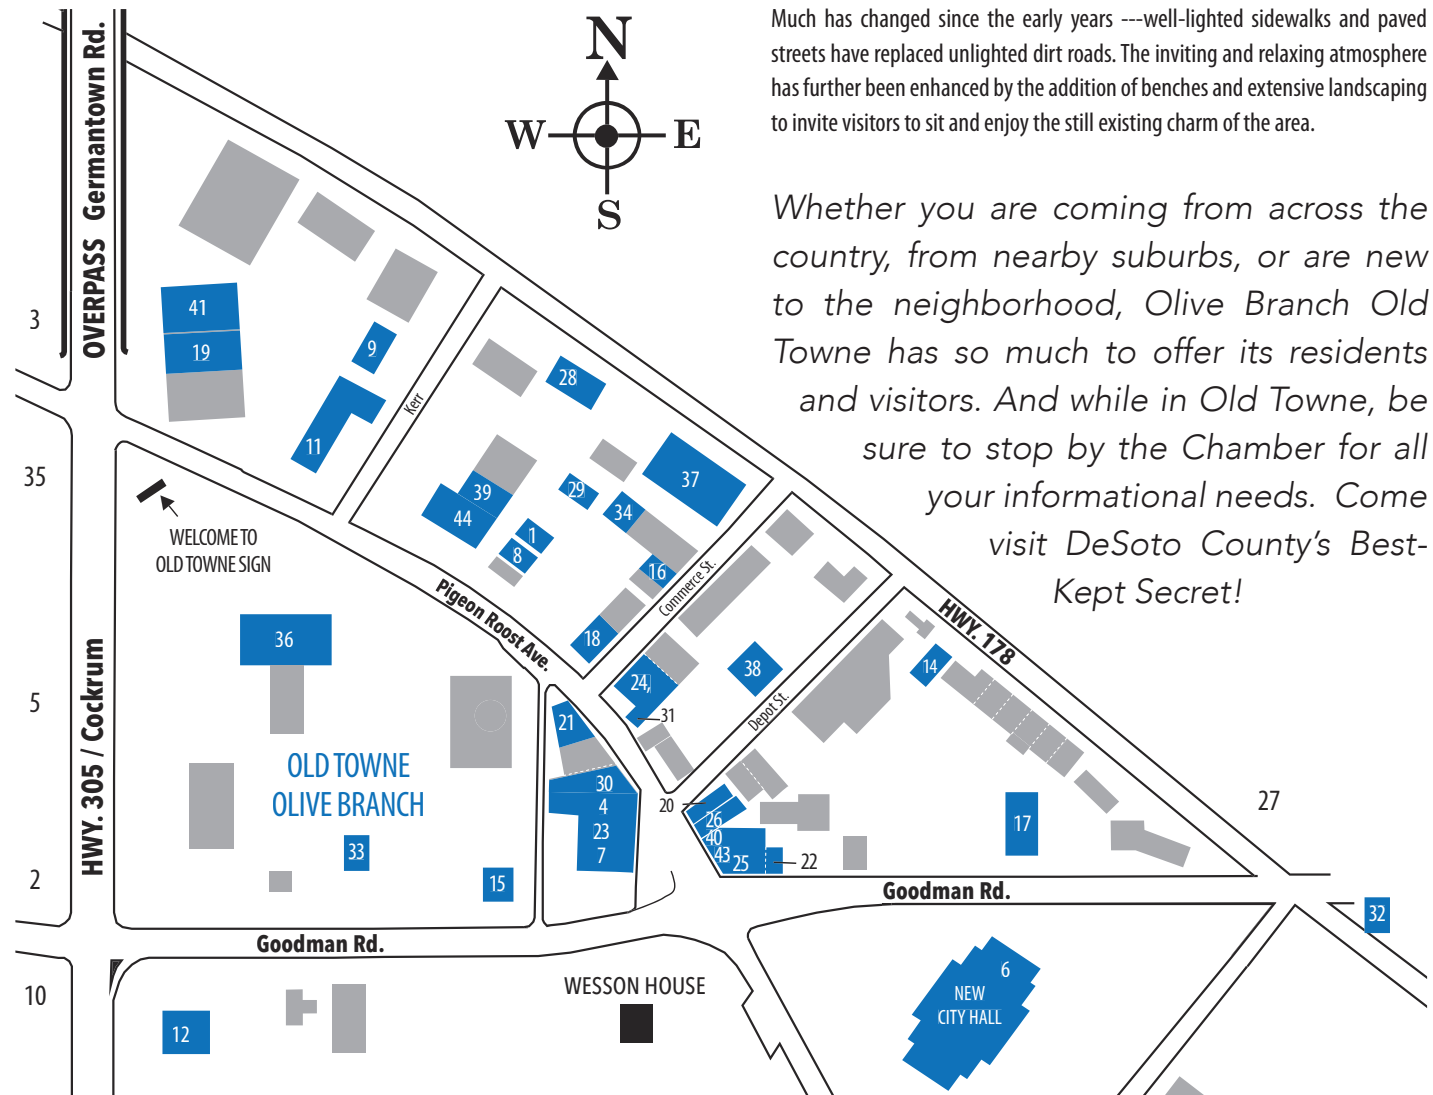

Olive Branch “Old Towne” has become a major center of activity and community events, in addition to providing one of the County’s best outdoor concert series. Located between Hwy 178 and Hwy 302 along Goodman Road and Pigeon Roost Road is the ‘Triangle’- the Historic District of Olive Branch. A self-guided walking tour, the Historic Walking Trail, will give you an insight into the history of this quaint community that housed the oldest business sites in Olive Branch.

Olive Branch Arts Council promotes the very talented local artists and showcases them by displaying some of their art in the “Arts in the Alley”, a renovated alley between the present Olive Branch Chamber of Commerce building and CLM Insurance building. The Chamber of Commerce is located next to the Art Alley in what was the original 1917 Bank of Olive Branch, where the original bank vault still remains.

Many of the buildings, bearing the ancestral names of many present-day residents, are home to an art gallery, antique and collectibles shops, boutiques and gift shops, a charming coffee shop, a florist, an award winning bakery and several restaurants, hair salons and other select retail shops. There is also an event hall for parties and gatherings.

Looking toward the south end of Old Towne, one can see the modern-day City Hall where today’s business with the city is transacted. Inside the building is the Olive Branch City Hall Museum, which displays Olive Branch memorabilia. The Wesson House, built in 1875 as the home of the first mayor, is on the opposite corner.

Much has changed since the early years ---well-lighted sidewalks and paved streets have replaced unlighted dirt roads. The inviting and relaxing atmosphere has further been enhanced by the addition of benches and extensive landscaping to invite visitors to sit and enjoy the still existing charm of the area.

Whether you are coming from across the country, from nearby suburbs, or are new to the neighborhood, Olive Branch Old Towne has so much to offer its residents and visitors. And while in Old Towne, be sure to stop by the Chamber for all your informational needs. Come visit DeSoto County's Best-Kept Secret!

A GREAT PLACE FOR RETIREMENT

Because of its beauty, charm, safety, and location, Olive Branch is an ideal place for people to spend their retirement years.

Located on the outskirts of Memphis and balancing small-town living with the advantages of big-city life, Olive Branch has a lot to offer seniors. There is always something for seniors to do in Olive Branch and the surrounding areas, which makes our community a desirable place to spend your golden years. Parks, trails, museums, shopping and entertainment are only a few things that the Olive Branch area has to offer. Some of the most exceptional golf courses in the Mid-South are located right here in Olive Branch. Local entertainment varies from popular attractions, such as Graceland, to movies, CHL hockey, NBA basketball, baseball and concerts. Olive Branch Old Towne has seasonal music concerts, festivals, and even family 'movie nights' on the lawn during late spring/early summer and fall. Other advantages for the senior population include:

Senior Center

Since opening in 2008, the Olive Branch Senior Center has become the heart of activity for our senior community; many months attracting more than 2,000 people. The goal of the Senior Center is to reach as many seniors in our area as possible to ensure they have opportunities to make new friends, have fun, and stay healthy. Maturity and retirement have not slowed down this energetic group. On any given day there may be card games, computer classes, Mahjongg, aerobics, ball-room/line dancing, and yoga, all offered at the center. They have also planned trips and travel; going to exciting destinations and spending time sightseeing and enjoying the local fare. These seniors are still strongly interwoven into the community affairs of Olive Branch. You can stop by the center, located in the City Park, and pick up a monthly calendar, or you can find their Facebook Page by going to the Olive Branch website at: www.obms.us and click on the 'Senior Center' page.

The Golden Branches

The Golden Branches is the name of the "first/original" organized seniors group in Olive Branch. They began holding meetings in a church, then moved to the "Park Office" and now the Senior Center. They meet every Thursday at 11:00am. The first Thursday is their business meeting, the next they celebrate birthdays and anniversaries and play bingo for small prizes. The third Thursday they try to have a speaker or some organized event and the 4th Thursday they have pot luck lunch. The group does have membership dues, but anyone can join.

Most of the churches offer programs for all ages from nursery age to classes for senior citizens, thus meeting their spiritual needs as well as their social needs.

Olive Branch is a very family-oriented community, and proud of the diversity of its residents, and that diversity is never clearer than when it comes to faith. Faith and spiritual values are an integral part of the Olive Branch community, and you will find churches in Olive Branch visible in all neighborhoods and easily reached from all areas. The parking lots are filled with people on Sunday mornings going to worship in the churches of their choice. Most of the churches offer programs for all ages from nursery age to classes for senior citizens, thus meeting their spiritual needs as well as their social needs. Throughout the year our churches participate in a variety of community events: holiday celebrations, “helping-hands” ministries, cooperative food pantries, and disaster relief programs.

There are many different denominations waiting to welcome you to their congregations, so if you are looking for a new church home, or if you have recently moved to Olive Branch, you will have no trouble finding a place to call ‘home’. Some of the denominations represented are Baptist, Roman Catholic, Episcopal, Methodist, Church of Christ, Presbyterian, Pentecostal and non-denominational. Pastor Jim Butler of LaBelle Haven Baptist Church says, “LaBelle Haven Baptist Church moved from Memphis to Olive Branch in July 2014. LaBelle had declined to 60 people by 2010, but God worked a miracle of new life as we moved to our new 42-acre campus in Olive Branch. Our worship uses a blend of the old familiar hymns and choruses, played and sung by our choir and orchestra. The spirit of LaBelle makes it feel like

A WINDOW IN TIME

Olive Branch History

Painting of Lush Pun Tubby by Bill Cruthirds

Between 1832 and 1836, DeSoto County was created as one of ten new counties in the state of Mississippi.

Before Hernando de Soto's exploration in 1540, and for some 200 years afterward, what is now known as Olive Branch was the home and nation of the Chickasaw Indians. In 1817, the state of Mississippi was established as one of the United States and the population boomed.

Milton Blocker and Stephen Flinn, along with their wives Frances Wilson and Amoranda Wilson (who were sisters), left their farms in Limestone County, Alabama in 1836, and traveled the Mississippi River by flatboat to Memphis. From Memphis they headed southeast into the newly created Chickasaw Territory where present day Olive Branch sits. The couples met a Chickasaw Indian, Chief Lush-Pun-Tubby, and bought 1,280 acres of land from him where they built their homes and a sawmill. Blocker built a house in the area now known as Shady Grove Cove; and where the Blocker Cemetery is currently located, he built a sawmill to produce lumber for the settlers who were streaming in. In 1840 Blocker purchased Flinn's interest in most

of the land and earned his place as the father of Olive Branch and was probably responsible for the village's first business, a mule-powered cotton gin. Later, as growth continued, a creamery and a boat factory boosted the community's economy. Blocker and Flinn are both buried in the Blocker Cemetery.

In 1846, mail volume to and from Watson's Crossroads increased enough to justify the establishment of a post office. A large number of the inhabitants of Watson's Crossroads did not want Watson's Crossroads as the permanent name of their village. It is not documented, but several historical accounts give Mrs. Frances Wilson Blocker the credit for suggesting the name of Olive Branch, taking the title from a biblical reference.

The first free public school was built in DeSoto County in 1871. In 1874, Olive Branch incorporated and elected its first Mayor, Ben Wesson. His home, The Wesson House, built in 1875, is now a dedicated Mississippi Landmark and still stands in Old Towne.

At the dawn of the 20th century, Olive Branch began to emerge as a commercial center, as well as an agricultural one, eventually eclipsing the thriving settlements of Pleasant Hill and Cockrum. W.T. Woods founded his drug store on the triangle

Above, Wesson House as it was circa 1920's and Wesson House Today, below.

around 1913. With construction booming, J.E. Birmingham started the Olive Branch Lumber Company in 1912. Later, he would be a leader in building the Maples Memorial United Methodist Church and the original Bank of Olive Branch.

Modern Olive Branch boasts one of the most diverse economies in the nation, thanks to a wide variety of industrial and distribution centers.

The industrial revolution of Olive Branch began in 1971 when a site, just a couple of miles from downtown, was chosen as the home of Holiday Inn University and Conference Center.

Holiday Inn opened an industrial park and airport in January 1973. Today the development is known as Metro Industrial Park and Olive Branch Industrial Park, a fully planned, improved, and industrial facility.

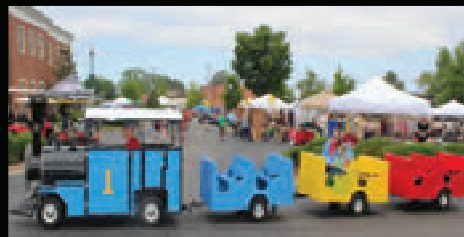

In less than a century and a half, Olive Branch has gracefully made the transition from Indian Territory to the fastest growing City. Located adjacent to the Mid-South's leading metropolitan center - Memphis, Tennessee - Olive Branch offers a small town environment of pleasant, comfortable, uncongested living all less than 30 minutes from the cultural, financial and distribution hub of the Mid-South.

In 2013, the Chamber published a history book about Olive Branch. The book is available at the Chamber office for a \$20 donation. Stop by and get your copy to learn more about the development and growth of Olive Branch. ♦
