Welcome

Greetings! Welcome to our hometown and all that it offers, I think you will be pleasantly surprised.

Olive Branch has so much to offer, from the beautiful parks to the modern shopping areas. New additions to our City Park include “Olive Bark Park”, and an all inclusive, state of the art playground. Our Old Towne area, with buildings dating back more than one hundred years ago, has become a popular place for families to enjoy concerts and summer movies, under the stars, on the lawn of the Wesson House. We have outstanding residential neighborhoods, and a quality school system, which is rated among the highest in the state.

Over the past few years, we have received numerous Keep Mississippi Beautiful awards and several Urban Forestry awards. Bloomberg Business Weekly has also named Olive Branch the fastest growing city in the nation over the past two decades.

Olive Branch is home to one of only three Dedicated Mississippi Landmarks in DeSoto County – The Wesson House. We are nestled in the northwest corner of Mississippi and are growing and developing both economically and socially. If you are a first-time visitor, you may not know that a few years ago our population was less than 4,000. Now, my family, along with more than 36,000 others, call Olive Branch home.

We thank you for your interest in our city and invite you to experience all the things that make it unique. Like and follow us on Facebook ([facebook.com/cityofob](https://www.facebook.com/cityofob)) and Twitter (twitter.com/cityofob) for real-time information about our City and tag your photos with #MyCityofOB on your social media accounts. Spend some time with us. We have a feeling you just might want to stay.

*Best Regards,
Mayor Scott B. Phillips, Jr.*

Business & Community

The Olive Branch Chamber of Commerce is located at 9123 Pigeon Roost Road in the historic Old Towne area. The Chamber has served the Olive Branch business, professional, residential and industrial community for almost 45 years. Highly recognized in the Mid-South area, the Olive Branch Chamber offers a working partnership with over 600 members and receives new residents and businesses with a warm welcome and information to assist them with their move.

The Chamber works with various economic segments of our community, building a positive program for expansion to community development and improvements, and doing the job collectively with teamwork that couldn't be accomplished with individual effort

When new businesses and residents move into the community, the Chamber Staff, Board of Directors and the Chamber Connectors are available to work with them to answer questions and help them become familiar with the area. Programs and activities offered by the Chamber include: Chamber Connectors encourage and assist in getting businesses involved with Chamber events and activities. Membership Luncheons are a monthly event with over 200 in attendance, and Biscuits and Business is a quarterly morning networking event. An annual Business Expo is held in the Fall each year and gives local businesses the opportunity to showcase their products to the community and other businesses. The Chamber also hosts the annual Christmas Parade on the first Saturday in December, with marching bands and over 100 floats that usher in the Holiday Season.

The winner will not only be representing their school, but also the Chamber of Commerce and the City of Olive Branch.

The Chamber of Commerce Membership Directory/City Guide Magazine is printed once a year and distributed to hotels, restaurants, welcome centers, the library, City Hall, the Chamber office, and a host of other business locations. New residents and new businesses are mailed copies, and it is also accessible on the Chamber and City websites. This magazine has articles on the City, Education, Industry, Parks, Faith & Worship, just to name a few. It also lists important numbers for those new residents and businesses. City Leadership and Growth

36,000 PEOPLE NOW CALL OLIVE BRANCH HOME

Mayor Scott Phillips and the Board of Aldermen are proud of the growth of our city with over 36,000 people now calling Olive Branch home. Olive Branch has so much to offer, from the beautiful parks to new and modern shopping areas. Also, Olive Branch's industrial park is one of the fastest growing industrial parks in the Country. Mayor Phillips, citing recent real estate and business information, says the city's industrial park rivals that of Atlanta in both quality and quantity of business. With all the industrial park growth,

The city administration works constantly to preserve the same quality of life for the citizens that has been enjoyed in the past.

City Hall and the City Court House are located in the historic Old Towne district. City Hall houses all the departments that pertain to city business. The

City Court House is home to the City Clerk, extra office space, and a 200-seat assembly room that accommodates space for court and City Board meetings. As a result of the amenities offered by the city, Bloomberg Business Weekly named Olive Branch the fastest growing city in the Nation over the past two decades. Our citizens enjoy a quaint style of life, while still having access to urban conveniences.

Nearby, the state-of-the-art Police Headquarters Building is home to the highly qualified Olive Branch Police Department. Accreditation was awarded to the department by the Mississippi Law Enforcement Accreditation Commission (MSLEAC) on February 25, 2009. The building has holding areas with a drive through sally port for detainee drop-off, a patrol wing with emergency management control room, state-of-the-art criminal investigation space with evidence collection and processing, and training areas for the officers to stay on

top of the latest procedures and policies.

The Olive Branch Citizens Police Academy is a way the local citizens can learn more about the city Police Department's procedures and functions. The Academy is open to everyone and is offered twice a year.

Equally important to the safety of Olive Branch citizens is the Olive Branch Fire Department. **The Mississippi Rating Bureau Insurance Class awarded a Class "4" rating to the Olive Branch Fire Department.**

The lower this rating, which is based on several criteria, the lower insurance rates are for citizens.

The Olive Branch Fire Department meets these standards with 68 Firefighters, 18 Paramedics, and 8 staff members providing Fire Suppression, Emergency Medical Services (Advanced Life Support), Hazardous Materials, Confined Space Rescue, High Angle Rope Rescue and Fire Prevention. There are 3 Firefighter – Paramedics that are assigned to each shift, which complements our Ambulance Service.

To find out information about starting your own business, property taxes, city codes and ordinances, local map, school zones, or anything else you might want to know about Olive Branch, you can visit their website: www.obms.us.

Even as we grow daily, Olive Branch provides its residents with a safe, family oriented environment that offers good schools, parks with recreational programs for all ages, and churches of all denominations.

Small Town Charm

Olive Branch Voted #5 Best Place to Live by Money Magazine

Olive Branch offers new and established neighborhoods, offering quality built homes near parks, golf courses, lakes, or shopping. Homeowners will also enjoy lower taxes, great schools, and churches nearby.

Amy Patterson, Crye-Leike agent and active Chamber Member, remarks "Olive Branch is brimming over with families moving into town! Our economy here allows a family to be able to get more for their money, whether it's the school system that matters or the neighborhood amenities. Located near Memphis, our bustling town allows for a rural life with a short commute to the nearby city."

Culpepper Place of Olive Branch, an assisted living facility, broke ground in 2017, and has an anticipated opening date in the Spring of 2018. A few blocks from the Olive Branch City Park is a ranch condo community, which offers all the benefits of a maintenance free lifestyle and is designed with the active empty-nester in mind. Overlooking the Cherokee Golf Course is the Silvercreek Senior Living Community that provides catered and assisted living. Olive Grove Terrace, senior living by Americare, has an addition called The Arbors, specifically for Alzheimer's residents. Another retirement and assisted living community located near Olive Branch is Kirby Pines Retirement Communities.

Improvements and new additions can be seen in Olive Branch almost daily. Now available on Goodman Road is Chicken Salad Chick, Hobby Lobby, Academy Sports, Moe's Southwest Grill, Jersey Mike's Subs, Pyro's Pizza and Firehouse Subs, along with Nail Salons and Boutiques, just to name a few.

Our residents live in a charming place that offers a small-town atmosphere, yet has big city benefits.

The Olive Branch Arts Council presents the annual Art Walk in Old Towne

Malco Collection, a 31,000-square foot, 7-million-dollar upscale shopping center has opened in front of the Malco 12-screen cinema and adjacent to Corky's Bar-B-Q. Nestled in the heart of Olive Branch is what locals call "Old Towne". It has become a major center for activity and community events. Located between Hwy 178 and Hwy 302, along Goodman Road and Pigeon Roost Road, is the 'Triangle'- the Historic District of Olive Branch. A self-guided walking tour, the Historic Walking Trail, will give you an insight into the history

of this quaint community that also holds the title as a "Certified Mississippi Main Street Community". Each year the local elementary schools have field trips thru the Old Towne area, teaching the students some history about Olive Branch.

Much has changed since the early years - dusky dirt roads have been replaced with well-lit sidewalks and paved streets. The inviting and relaxing atmosphere has further been enhanced by the addition of benches and extensive landscaping to invite visitors to sit and

enjoy the still existing charm of Old Towne.

Olive Branch Arts Council promotes the very talented local artists and showcases them by displaying some of their art in the "Arts in the Alley", a renovated alley between the present Olive Branch Chamber of Commerce building and CLM Insurance building. The Chamber of Commerce is housed in what was the original 1917 Bank of Olive Branch, where the original bank vaults remain.

There are also two event halls for parties and gatherings. Looking toward the south end of Old Towne, one can see the modern-day City

Hall where today's business with the City is transacted. Inside the building is the Olive Branch City Hall Museum, which displays Olive Branch memorabilia. The Wesson House, built in 1875 as the home of the first mayor, is on the opposite corner. Whether you are coming from across

the country, from nearby suburbs, or are new to the neighborhood, the Old Towne area has so much to offer its residents and visitors. And while in Old Towne, be sure to stop by the Chamber for all your informational needs. Come visit DeSoto County's Best-Kept Secret! Throughout the year, Olive Branch offers events that give residents family activities such as our July 4th World Class fireworks display and Octoberfest

festivities at the City Park. In the Old Towne area, there are many events during the year which include Old Towne Easter, Mayfest & 5K Run, Fallfest, concerts, movies, farmers market and much more. December comes alive with plenty of Christmas festivities around Old Towne and the Christmas Parade is always the first Saturday of December.

A few years back, Olive Branch held the title of the fastest growing city in the country and can now boast as one of the fastest growing industrial parks in the country. Mayor Phillips, citing recent real estate and business information, says the city's industrial park and community rivals that of Atlanta's in both quality and quantity

of business. Along with the new facilities, increasingly more and more jobs are provided. Even with the tremendous growth of residential homes and businesses, Olive Branch continues to retain its small-town flavor by welcoming all who come, and encouraging them to be a part of this great community.

HIGHER EDUCATION

The University of Mississippi and Northwest Mississippi Community College partnered together to offer the 2 + 2 program at the DeSoto Center campus, due to the educational demands in the growing northwest Mississippi area. This provides a great opportunity for students to receive their four-year degree without ever leaving the county. For more information on this program visit: www.outreach.olemiss.edu/desoto/programs.

Belhaven University Adult Program, Bethel University and Benjamin Hooks Job Corps Center are other education options.

Industrial strength

Our location, incentives, and attitude toward industry, should help to guarantee the future growth of industry

Olive Branch extends a warm welcome to industry while offering a perfect location to the Mid-South area. Situated on the Tennessee-Mississippi state line and sharing a common border with Memphis, it is easily accessible by highway, rail, air, and water. Several major Interstates and highways run through DeSoto County, making it easily accessible to and from Olive Branch to both the northeast and southwest. Interstate 269 (I-269) is a partially built outer beltway around the city of Memphis and its adjacent suburban areas in southwestern Tennessee and northern Mississippi. In the world of industry, location is everything, which helps explain the growth in Olive Branch. During the last several years there has been an influx of industrial companies to open or move to Olive Branch. Many have

occupancy in Belz Enterprises Metro Industrial Park, and the adjacent Olive Branch Industrial Park, home to more than 80 well-known industries and distribution centers. Some of these diverse companies are: View (insulated glass), Natureplex, Snap-on Tools, Milwaukee Electric Tools, and Nissan Distribution. Sephora Warehouse will be opening soon and Williams-Sonoma, located in the Olive Branch Industrial area, has over 2 million square feet of distribution space and is one of the largest employers in the area. Several pharmaceutical companies and medical supply companies have opened before and since the Olive Branch Methodist Hospital opening in August 2013: Teleflex Medical Inc., Millstone Medical Outsourcing, McKesson Corporation, Integrity Systems, Inc., Owens

acres with a 6,000-foot lighted runway. The airport is equipped with a full instrument landing system and a fully staffed control tower, capable of accommodating all corporate jets.

Olive Branch's location offers an opportunity to be near the FedEx Ground facility in Olive Branch and the Memphis International Airport

...the number one cargo hub in the world and home to the FedEx Super Hub and UPS Hub. Memphis International Airport is unique in that it is the nation's only dual-hub airport (cargo and passenger) providing an abundance of air services that is unequaled in the U.S. You can travel non-stop to more than 30 exciting destinations from Memphis International Airport. Olive Branch's location, incentives, and friendly inviting attitude toward industry, should help to guarantee the future growth of industry in our area.

& Minor Distribution, Inc., and Anda Pharmaceutical. Medical-related companies are taking advantage of new legislation as an incentive program known as the Health Care Zone Act. That legislative act provides tax exemptions and accelerated income tax depreciation on medical companies which locate within five miles of a hospital.

Other medical supply companies in the industrial area are Cardinal Health, and AmerisourceBergen.

Several companies are experiencing expansion projects.

Synnex has doubled in size, Williams-Sonoma, a company which moved to DeSoto County from California a decade ago, added 900 jobs in 2014. Johnson Controls, Diamond Comics, J. Strickland, Natureplex, American Plastic Toys, FedEx Ground, Revco, and Hamilton Beach are also expanding. Within the Industrial Park and easily accessible to all in the Olive Branch area is the Metro Aviation Terminal/Olive Branch Airport on 350

Relax or Play

*Olive Branch City Parks Offer
Something For Everyone*

A park can be explained as an area of natural, semi-natural or planted space set aside for human enjoyment and recreation. To experience what life is like in Olive Branch, take a leisurely stroll through one of its many beautiful parks on a sunny afternoon. Olive Branch Parks provide an overabundance of activities. You will see families picnicking under a pavilion, hear children playing in the playground areas, see parents cheering for their little league stars, and people of all ages enjoying the walking trails that take you around the park. You will see a beautiful lake that provides a great place for an afternoon of fishing. Olive Branch Parks have something to offer everyone, no matter what your age.

Olive Bark, located inside the City Park is a great place for large or small dogs and their owners to enjoy the park.

Understanding the need for beautiful parks, the city developed a strategic plan to grow the Olive Branch park system to preserve the green space and enrich the quality of life available to its citizens.

A new addition to the City Park is the All Inclusive Universal Playground, for children of all ages and disabilities. Completed September 2017

The city of Olive Branch has been named a Mississippi Scenic Community by the Mississippi Urban Forest Council.

The July 4th activities bring families from across the area. Each year crowds gather to see the skies ablaze with a World Class fireworks display at the City Park. Enjoy live music, Kids Zone, great food vendors and more! Then as autumn's chill fills the air and the leaves begin to turn golden, families fill the park on the first Saturday in October for an abundance of crafts, games, food and more for the annual Octoberfest.

It would be rare to visit the city park without seeing some form of sports being played. During the year, seasonal Youth Baseball and Softball, Adult Softball, Youth Soccer, Youth Basketball and Adult Co-Ed Softball are all offered.

Olive Branch City Park running track..

Magnolia Community Park offers a great place for a pic-nic or some playground fun with plenty of lawn space.

Ivy Trails Community Park offers a large open area for just about anything, a gazebo for cookouts and a paved walking path.

Olive Branch City Park: 8267 Goodman Road

- 6 lighted Softball Fields
- 5 outdoor lighted Tennis Courts

Both sections have double gates so that your dog cannot escape. Olive Bark is open during daylight hours. Your dog must have vaccinations current and be tagged. Dogs must be accompanied by someone 18 years or older.

During baseball season, the park is literally bursting with activity, sometimes having close to 5,000 people in the park. The playground area is enjoyable for the children, while surrounding picnic tables provide a great spot for picnics or just taking a break. Entrances to the park are located at 8267 Goodman Road and at the intersection of College Street at Highway 305. Park hours are from 6:00 a.m. to 11:00 p.m. seven days per week.

Magnolia Community Park: 10111 Oak Leaf

Magnolia Community Park was the first recognized Urban Forest in the State of Mississippi. It is in the Magnolia Estates Subdivision. With over 10 acres of land, this park offers a half-mile paved multi-purpose trail, playground, picnic tables, and a large open area for various activities.

George M. Harrison Soccer Complex: 8700 Church Road

George M. Harrison Soccer Complex has five international-sized soccer fields with automated lighting control systems and automated irrigation. This complex has a small pavilion and lake with a 2/3-mile Walking Trail. The City uses this park for the Easter Egg Hunts, Fishing Rodeos and other events throughout the year.

Southridge Community Park: 9730 Eva Drive

Southridge Park covers 19 beautiful acres and includes a playground with rubberized safety surfacing, a half-mile walking trail, a pavilion with benches, picnic tables, a baseball practice area with backstop and a 2-acre lake.

Ivy Trails Community Park: 7496 Acree Lane

Ivy Trails neighborhood features a 10-acre community park with a half-mile walking trail and pavilion. The residents can use this park for special events and picnics.

The Olive Branch Parks and Recreation Department is committed to ensure all citizens of Olive Branch can participate in and enjoy recreation and leisure experiences. Parks and Recreation will continually improve the variety and quality of programs, services, and facilities provided to the community.

The City of Olive Branch

Centrally located in the Mid-South, Olive Branch is actually closer to the Memphis International Airport than the Memphis suburbs Germantown, Cordova and Bartlett, and even a large portion of Memphis itself. Three major Highways I-22, I-55, and I-40 and future I-269, offer easy access to the metro area and to the many popular destinations throughout Mississippi and the surrounding states.

Health and Wellness

The five-year anniversary of the opening of the new Methodist Olive Branch Hospital is just around the corner.

The hospital is a five-story facility located near U.S. Hwy 78 and Bethel Road. **It is a state-of-the-art hospital with a 100-bed, 24-hour emergency room.** The hospital was the first in-patient health care facility in the United States to achieve an LEED (Leadership in Energy and Environmental Design) award for Healthcare Gold Certification, developed to encourage hospitals to be more energy efficient and to reduce their environmental impact. The hospital offers specialized care in general surgery, cardiology, labor and delivery, orthopedics, urology, gastroenterology, oncology, and much more. Along with the hospital, Methodist offers care at the Minor Medical Center and the Methodist/LeBonheur Urgent Care.

Another medical facility is Parkwood Behavioral Health Systems, which offers comprehensive mental health services that are dedicated exclusively to the care and treatment of psychiatric and substance abuse issues. Located on Parkwood's grounds is Park Academy, a fully licensed school, and serves as part of The Residential Treatment Center. In 2014 Parkwood Behavioral Health Systems opened a state-of-the-art Older Adult Unit, which provides specialized acute care for adults 50 and older who are facing a mental health crisis. This addition serves all North Mississippi and the Mid-South region.

Southaven, a neighboring city of Olive Branch, is home to the **Baptist Memorial Hospital-DeSoto**, which is a 447,000 square-foot, 11 story patient tower with 339 licensed beds. **A Women's Center and The Baptist Center for Cancer Care** are also located on this campus. The Baptist Center for Cancer Care offers high quality care for cancer patients, while the Women's Center provides bone density testing, stereotactic breast biopsy, mammography, and ultrasound. Other special services available at Baptist include labor and delivery, with a level II nursery, radiology, nuclear medicine, and a sleep disorder center. **The Stern Cardiovascular Foundation** is also part of this campus.

MedPost Urgent Care, part of the Saint Francis hospital system, recently opened its center in Olive Branch for minor emergencies.

DeSoto Imaging Specialists is leading the way in the Metro Memphis area by combining technology, radiology, and a homelike atmosphere with the ease and efficiency of outpatient medicine. An entire spectrum of diagnostic imaging is available at DeSoto Imaging Specialists: MRI, CT (CAT scan), nuclear medicine, interventional procedures, ultrasound, X-ray, fluoroscopy digital mammography and several others.

The Chamber has several members listed in the "**Home Care and Senior Services**" category and the number seems to be growing. For a list of Chamber members providing these types of individualized services, please refer to the "Home Care/Senior Services" listing in the back of this publication. There are also Hospice services available in the area, and for a complete list, please refer to the "Hospice" listing in the back of this publication.

Many other quality healthcare options are available to all residents of Olive Branch.

Medical service providers such as dentists, orthodontists, optometrists, chiropractors, physical therapists, and various other medical specialists are all within easy access to provide the needs of patients and residents.

Old Towne Olive Branch has seasonal music concerts, festivals, and family 'Friday movie nights' on the lawn during late spring/early summer. Other advantages for senior citizens include:

Retirement has not slowed down this energetic group. Card games, computer classes, aerobics, ballroom/line dancing, and Yoga are all offered at the center. You can stop by the center, located in the City Park, and pick up a monthly calendar, or you can find their Facebook Page by going to the Olive Branch website at: www.obms.us and click on the 'Senior Center' page.

The Golden Branches

Olive Branch's first organized senior group in Olive Branch is called The Golden Branches. They hold their meetings at the Olive Branch Senior Center every Thursday at 11:00am. The 1st Thursday is their business meeting and on the 2nd Thursday they celebrate birthdays and anniversaries and play bingo for small prizes. On the 3rd Thursday, they try to have a speaker or some organized event, and the 4th Thursday they have pot-luck lunch. The group does have membership dues, but anyone can join.

The Senior Center is a great place to have fun fellowship with others, learn and stay fit. Pictured: Sewing group underway.

Local Attractions

If You're Looking for something to do You Won't Have To Travel Very Far...

If Olive Branch does not have the fun and excitement you are looking for, you will not need to travel far – Memphis is just to our north. Memphis offers Beale Street, the Muddy Mississippi River, Sporting Events, shopping and fine dining. To our west is Southaven with a new outlet mall, music and sporting venues. Tunica is directly south for those who enjoy the thrill of gaming and entertainment. There is something for practically every hobby or entertainment preference. While Olive Branch maintains a sense of small town charm, it is no stranger to fun and excitement.

The Old Towne area, which is considered “downtown” Olive Branch, has quaint historical buildings, which house an art gallery, bakery, dining, arts and crafts, gifts, antiques, and more. Also in Old Towne, you can take the Historic Walking Trail, which commemorates the oldest business sites in Olive Branch. A walking tour brochure is available at the Chamber of Commerce office that is in the original 1917 Bank of Olive Branch, also located in Old Towne.

DeSoto Family Theatre (DFT), featuring local talent performing regionally-acclaimed productions, is a non-profit community theatre organization dedicated to providing high quality family-oriented theatre arts opportunities to DeSoto and surrounding counties. Originally DeSoto Youth Theatre, founded in 2010, provided our area youth with the opportunity

to pursue theatre arts at the local level. The name was changed to DeSoto Family Theatre (DFT) to better reflect the fact that our productions are designed to be appropriate for everyone. The facility is adjacent to the Landers Center and you will see such plays as Oklahoma, Meet Me in St Louis, Annie, Beauty & the Beast, Miracle on 34th Street and other wonderful

performances. In Memphis, the Orpheum Theatre sets the stage for rich elegance. Built in 1928, the theatre holds its sense of history with style, as many large-scale Broadway shows are performed there. You can buy tickets to such plays as Grease and Dirty Harry, or purchase season tickets so you can see all performances!

Be sure to visit the **Memphis Zoo** with 2,800 animals representing 400 species which is located on 70 acres. The Memphis Zoo has been named as #5 in the top Zoos in the United States. While visiting the Pink Palace Museum, journey to distant galaxies and explore the solar system in the Sharpe Planetarium, or experience a motion picture IMAX style. For the little ones, spend an afternoon at the Children's Museum, experiencing the educational joy of hands on exhibits and programs. **With its beautiful gardens and trails, the Memphis Botanic Garden is perfect for the nature lover in us all.**

A few miles from Old Towne is the largest bonsai nursery in the United States. Brussel's Bonsai Nursery, located at 8125 Center Hill Road is open Monday-Friday, 8:00am to 4:30pm.

The warm, mild climate the south has to offer is perfect for Golf lovers. **Olive Branch boasts about its championship-quality golf courses.** Plantation Golf Club, Cherokee Golf Club, and Wedgewood Golfer's Club are all open to the public. Olive Branch Country Club is open for members and guests. For more information on these courses, see the "Golf" article in this magazine. Museums and nationally recognized places of interest are available for those perfect family outings.

Our town is surrounded by a host of **professional sporting events**. For baseball, catch a Redbirds (Triple A affiliate of the St. Louis Cardinals) game at AutoZone Park; for basketball, try the FedEx Forum for some exciting, nail-biting action from our local NBA team, the Grizzlies. The Landers Center (formerly DeSoto Civic Center), which seats 10,000 people, is home to the Mississippi RiverKings, our CHL minor league hockey team, and the Memphis Hustle, the Grizzlies NBA D-league basketball team.

Memphis is famous for the influential strains of blues, soul and rock 'n' roll that originated there. Elvis Presley, B.B. King and Johnny Cash recorded albums at the legendary Sun Studio, and Presley's Graceland mansion is a popular attraction. Other music landmarks include the Rock 'n' Soul Museum,

Blues Hall of Fame and Stax Museum of American Soul Music. And if you are a music enthusiast who appreciates a variety of music genres, check out historic Beale Street. Beale Street was officially declared the "Home of the Blues" by an act of Congress in 1977. Make sure you put on your blue suede shoes and head to the Elvis Presley mansion! Graceland offers guided tours, has a gift shop and is open year-round.

If the great outdoors and being on the water is what interests you, a visit to Arkabutla Lake, located in DeSoto County, about a 30-minute drive southwest of Olive Branch, may be the answer. It has 35,600 acres of land open to the public for hunting dove, squirrel, bobwhite, quail, rabbit, deer and turkey. The Lake is also known to be one of the best for crappie fishing around, along with excellent sailing

conditions. Families can enjoy the swimming beaches, nature trails, picnic areas, playgrounds, and over 300 campsites.

Tunica, Mississippi, is 43 miles southwest of Olive Branch and offers **24-hour access to world-class casinos, dining, shopping and entertainment.**

Faith and Worship

Olive Branch is proud of the diversity reflected in the many different denominations present within the city.

Olive Branch is proud of the diversity of its residents and that is reflected in the many different denominations present within the city. Some of the denominations represented are Baptist, Roman Catholic, Episcopal, Methodist, Church of Christ, Presbyterian, Pentecostal and Non-Denominational. Churches in the community are visible in every neighborhood. For this reason, the parking lots are filled with people every Sunday morning.

Most of these churches offer various programs that appeal to all ages from nursery classes to classes for senior citizens.

If you are looking for a new church home, or if you have recently moved to Olive Branch, you will have no trouble finding a place to call 'home'. Our churches participate in many community events throughout the year such as holiday celebrations, "helping-hands" ministries, cooperative food pantries, and disaster relief programs.

"Being a person of faith in the community is more than just gathering for a weekly religious service or Bible study" stated Adam Gordon, Pastor of Pleasant Hill United Methodist Church.

(top) Great Commission Church "GC Students". (right) Hope Chapel singing praises.

Pastor Gordon went on to say "being a person of faith in the community is exactly about that - being in community. For us, as followers of Jesus in the Olive Branch Community, our lives are about welcoming the stranger, extending grace and mercy to the beaten-down and beaten-up, helping to apply the salve of God's love to both literal and spiritual scars, and creating a space of rest so that we can all faithfully live in God's Beloved Community.

Everyone is welcome at God's Table of Grace!" Dr. Bob R. Curtis, Senior Pastor of New Prospect Baptist stated

"Faith and spiritual values are an integral part of the Olive Branch community."

Since coming to New Prospect Baptist in 2007, I have found the people open to serving the Lord and to being served by the area churches. It's a joy to serve a church that loves people and in a community that is interested in spiritual things."

Whether you are seeking a small gathering or a large congregation, you will find a welcoming place to worship in Olive Branch.

Olive Branch History

Between 1832 and 1836, DeSoto County was created as one of ten new counties in the state of Mississippi.

It wasn't until 1817 that the state of Mississippi was established as one of the United States, and it was then that the population boomed. Between 1832 and 1836, DeSoto County was created as one of ten new counties in the State of Mississippi. Before Hernando de Soto's exploration in 1540, and for some 200 years afterward, what is now known as Olive Branch was the home and nation of the Chickasaw Indians.

Milton Blocker and Stephen Flinn, along with their wives, Frances Wilson and Amoranda Wilson (who were sisters), left their farms in Limestone County, Alabama in 1836 and traveled the Mississippi River by flatboat to Memphis. They then headed southeast into the newly created Chickasaw Territory where present day Olive Branch sits. The couples met a Chickasaw Indian, Chief Lush-Pun-Tubby, and bought 1,280 acres of land from him where they built their homes and a sawmill. Blocker built a house in the area now known as Shady Grove Cove, and where the Blocker Cemetery now sits, he built a sawmill to produce lumber for the settlers who were by then streaming in. In 1840, Blocker purchased Flinn's interest in most of the land and earned his place as the father of Olive Branch, and was probably responsible for the village's first business, a mule-powered cotton gin. Later as growth continued, a creamery and a boat factory boosted the community's economy. Blocker and Flinn are both buried in the Blocker Cemetery.

Olive Branch Post Office in 1881.

◀ The first post office was established in 1846 because the mail volume to and from Watson's Crossroads increased significantly. A large number of the inhabitants of Watson's Crossroads did not want Watson's Crossroads as the permanent name of their village. It is not documented, but several historical accounts give Mrs. Frances Wilson Blocker the credit for suggesting the name Olive Branch, taking the title from a biblical reference.

Above, Olive Branch High School Band circa 1950's. Right, 1949 high school yearbook. Below, then Bank of Olive Branch 1965 - (now Olive Branch Chamber).

In 1871 the first free public school was built in DeSoto County, and in 1874, Olive Branch incorporated and elected its first Mayor, Ben Wesson. His home, The Wesson House, built in 1875, is now a dedicated Mississippi Landmark and still stands in Old Towne.

Olive Branch began to emerge as a commercial center around the dawn of the 20th century, as well as an agricultural one, eventually eclipsing the thriving settlements of Pleasant Hill and Cockrum. W.T. Woods founded his drug store on the triangle around 1913. With construction booming, J.E. Birmingham started the Olive Branch Lumber Company in 1912. Later, he would be a leader in building the Maples Memorial United Methodist Church and the original Bank of Olive Branch.

Today Olive Branch boasts one of the most modern and diverse economies in the nation, thanks to a wide variety of industrial and distribution centers. The industrial revolution of Olive Branch began in 1971 when a site, just a couple of miles from downtown was chosen as the home of Holiday Inn University and Conference Center. Holiday Inn opened an industrial park and airport in January 1973. Today the development is known as both Metro Industrial Park and Olive Branch Industrial Park, a fully planned, and improved industrial facility.

In less than a century and a half, Olive Branch has gracefully made the transition from Indian Territory to the fastest growing City. Located adjacent to the Mid-South's leading metropolitan center – Memphis, Tennessee – Olive Branch offers a small town environment of pleasant, comfortable, uncongested living all less than 30 minutes from the cultural, financial and distribution hub of the Mid-South.

Olive Branch has a very interesting history. In 2013, the Chamber published a history book about Olive Branch. For a \$20 donation you can learn more about the development and growth of Olive Branch. Stop by and get your copy today.
